Writing School Grants

Kate Huber & Sarah Whiteway

Tips for getting school grants funded

Preparation is the key to securing a grant

Implementing the Grant is as important as securing the grant.

Follow School District protocol for writing grants and receiving funding.

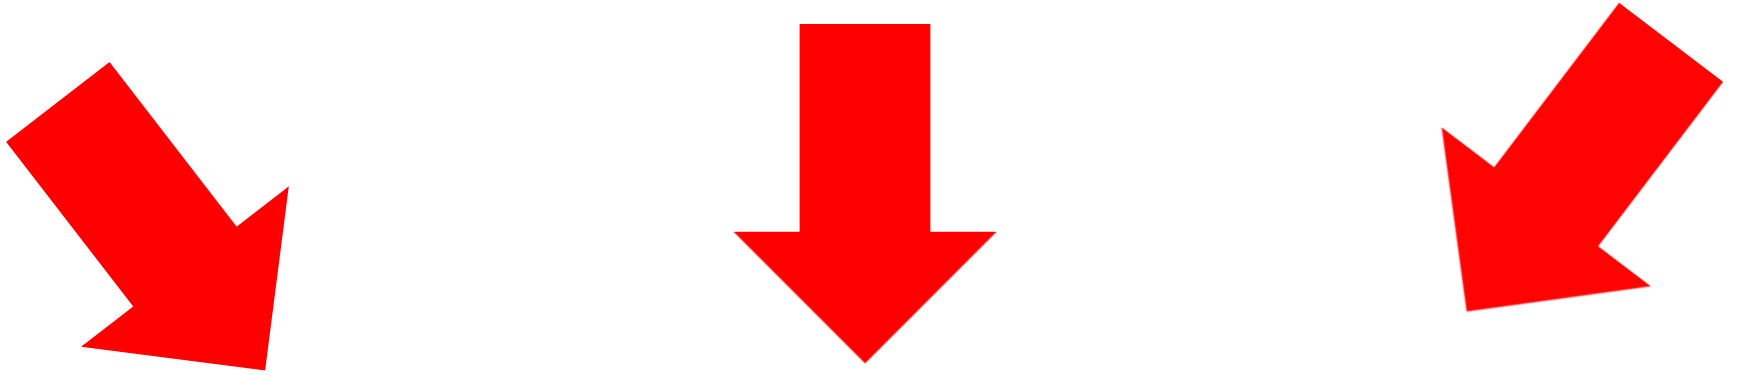

Tips for getting school grants funded

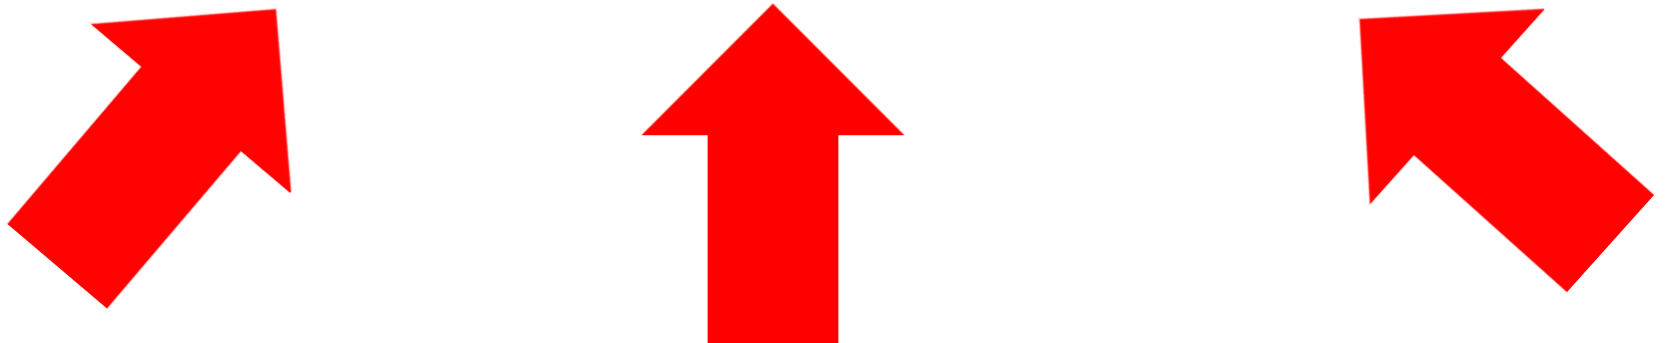

Find collaborators and matching funds

Read successful grants from the organization you are applying to for funding.

Unfortunately,
there isn't a
“one stop shop”
for finding
grants.

Transportation needs
are very difficult to find
grant funding for.

- avoid it when possible
- fundraise/ask pto
