

E1B Learning Center

The E1B Learning Center provides a highly structured educational environment for middle and high school students with moderate to severe disabilities in need of intense behavioral interventions.

Program Highlights

- One 6:1:1 middle school classroom and three 6:1:1 high school classes
- Daily instruction in ELA, math, science and social studies
- Emphasis on vocational skills training, as well as, activities of daily living
- Rotating class schedule throughout the day for academic and curriculum extension areas
- Student centered instruction provided in small teacher-student group settings
- Basic Employment Skills Training (B.E.S.T.) program provides hands on instruction in an on-site work setting
- Minimized distractions and a consistent and predictable schedule within the school environment
- ASD consultation
- Specialized training for staff (CPI)

Students

- In middle school and high school
- Needing a 6:1:1 placement
- Moderate to severe cognitive delays
- Needing a highly structured environment

Program Goals

- Increased student independence in all school and work related activities
- Increased social engagements inside and outside of the classroom
- Increased student self regulation and decreased maladaptive behaviors
- Decreased discipline referrals

“The beautiful thing about learning is that no one can take it away from you.”

–B.B. King, Singer
