

# Integrated Special Classes

Erie 1 BOCES offers special education classrooms in three different versions, 6:1:1, 8:1:1, and 12:1:1. Each of these options are available at either the Primary, Intermediate, or Secondary Levels. Classes can concentrate in either academic, life skills, or functional curriculums, or a combination of the three, depending on student needs. Services are provided in both center-based and district based locations.
