

“The best preparation for good work tomorrow is to do good work today.”

– Elbert Hubbard, Writer

The Work Readiness Education Program provides an educational environment for secondary age students seeking employment training and work exploration with an outcome of receiving a Skills and Achievement Credential.

Program Highlights

- Located at Maryvale High School
- Secondary classes focusing on entry level skills and exit preparedness training.
- Academic skills instruction in four core content areas.
- Work readiness instruction at all levels.
- Access to state of the art classroom technology.

Entry Level Training

- Career exploration
- In-school and enclave work opportunities
- Virtual internships

Exit Preparedness Training

- Development of an employability profile
- Individualized work experiences
- Community work internships
- Job coach support

Students

- High school age
- Eligible for the NYSAA and Skills Credential upon exit
- Work readiness class sizes including; 12:1:1, 8:1:1, 6:1:1

Program Goals

- Increased student employability skills
- Increase independence in post secondary work and residential environments
- Linkage to post secondary work environments and lifelong supports
- Achievement of skills needed to receive a Skills Credential
