ERIE 1 BOCES CODE OF CONDUCT

I. Introduction

BOCES strives to support and enhance the capacity of component school districts to carry out their roles as the chief instrument in the education of the children, youth, and adults in their communities.

BOCES is committed to providing a safe and orderly educational environment where students receive quality educational services without disruption or interference. Responsible behavior by students, teachers, other BOCES personnel, parents, volunteers, vendors, contractors, and other visitors is essential to achieving this goal.

The BOCES Board has a long-standing set of expectations for conduct on BOCES property and at BOCES functions. These expectations are based on the principles of civility, mutual respect, citizenship, character, tolerance, honesty, and integrity. BOCES aspires to:

- 1) Foster an environment of mutual trust and respect;
- 2) Raise students' knowledge, skill, and opportunity;
- 3) Inspire students, staff, and communities to pursue equity and excellence and to lead by example.

The Board recognizes the need to clearly define these expectations for acceptable conduct on BOCES property, to identify the possible consequences of unacceptable conduct, and to ensure that discipline, when necessary, is administered promptly and fairly. This Code of Conduct has been developed and will be maintained in collaboration with student, teacher, administrator, parent, BOCES safety personnel, and other representation.

Further, the Code of Conduct has been written to comply with the Safe Schools Against Violence in Education Act, the Dignity for All Students Act, and various provisions of the Education Law and Commissioner of Education regulations, all of which seek to improve school safety and ensure a safe and effective learning environment.

The Code of Conduct includes provisions which will govern the conduct of all students, teachers and other BOCES personnel, as well as visitors. Portions of this Code will also be applicable to the conduct of parents, volunteers, vendors, and contractors, where indicated.

Students who attend any BOCES program, regardless of that program's location, should be aware that their conduct will be subject to BOCES' Code of Conduct, the component district's/host building's Code of Conduct, and the provisions of the Code of Conduct in place in the students' home district of residence, as applicable.

Unless otherwise indicated in this Code, students may be subject to discipline for engaging in acts of misconduct that take place off BOCES/school property where the conduct endangers the health or safety of students, substantially disrupts school operations or otherwise adversely affects the educational process.

Adult students enrolled in workforce development programs should consult their individual program handbook or student handbook for specific disciplinary procedures. In addition, BOCES reserves the right to apply the provisions of this Code of Conduct to adult learners to the extent authorized by law.

V. Student Civility and Dress Code

All student interaction and communication with other students, teachers, BOCES administrators, other BOCES personnel, volunteers, vendors, contractors, and visitors on BOCES property will be appropriate, civil, and respectful. Students are expected to behave with dignity and treat others with respect and courtesy. Students should respect their peers, teachers, and BOCES and school staff. Individual behavior should not interfere with the rights of others. Students are expected to use language that is appropriate and that demonstrates respect for themselves and others. Language and gestures that are profane, vulgar, obscene, or that constitute harassment, bullying, or discrimination are prohibited. Students who engage in this speech are subject to corrective action or discipline.

Students and parents are responsible for student dress and appearance; they have the right to determine how the student dresses, provided that his or her attire is not destructive to BOCES property, complies with requirements for health and safety, does not interfere with or distract from the educational process, or infringe upon the rights of others. The administration may take action in instances where individual dress does not meet these stated requirements.

While the BOCES administration may require students participating in physical education classes to wear certain types of clothing such as sneakers, socks, shorts, and t-shirts, they may not prescribe a specific brand which students must buy. Uniforms or other safety equipment/attire may be required for specific programs.

A student's dress, grooming, and appearance, including hair style/color, jewelry, make-up, and nails will:

- 1) Be safe, appropriate, and not disrupt or interfere with the educational program.
- 2) Not be revealing or see-through; undergarments must be completely covered with outer clothing.
- 3) Not be vulgar, obscene, or libelous, or denigrating to others on the basis of actual or perceived race, color, weight, national origin, ethnic group, religion, creed, religious practice, disability, sexual orientation, gender, gender identity or expression, sex, or any other legally protected category.

- 4) Not promote or endorse the use of alcohol, tobacco, or illegal drugs, or encourage other illegal or violent activities.
- 5) Not display any signs of gang affiliation that have been observed to increase the level of conflict or violent behavior in schools or under circumstances in which school or BOCES authorities may reasonably forecast that violence or substantial disruption of their activities will occur.

Students must wear appropriate footwear at all times. Footwear that is a safety hazard is prohibited. Student, faculty, or parent groups may recommend appropriate dress for school/BOCES or special occasions. A student will not be prevented from attending BOCES or a BOCES function so long as his or her dress and appearance meet the Code's requirements.

Each building principal or designee is responsible for informing all students and their parents of the student dress code at the beginning of the school year and any revisions to the dress code made during the school year. Additional details about the dress code may be addressed in building-specific student handbooks.

Students who violate the student dress code will be required to modify their appearance by covering or removing the offending item and, if necessary or practical, replacing it with an acceptable item. Any student who refuses may be subject to further discipline, up to and including in-school suspension. If a student repeatedly fails to comply with the dress code, he or she may be subject to further discipline, up to and including out-of-school suspension.

Teachers and all other BOCES personnel serve as role models to the students they work with; they should exemplify and reinforce acceptable student dress and behavior, and help students develop an understanding of appropriate appearance and conduct in a school setting by attending to their own appearance through these guidelines. Staff are expected to wear clothing that is modest, safe, clean, in good repair, appropriate to their program, and not disruptive to the educational process.

Use of Personal Technology and Electronic Devices

Personal technology and electronic devices include all existing and emerging technology devices that can take photographs; record or play audio or video; input text; upload and download media; connect to or receive information from the internet; and transmit or receive messages, telephone calls, or images, that belong to the student or the student's family, and that have not been provided by BOCES. Examples of personal technology include, but are not limited to, tablets; laptop and netbook computers; personal digital assistants (PDAs); cell phones and smart phones; and any device with similar capabilities.

BOCES authorizes personal technology and electronic devices for instructional and non-instructional uses as set forth below. However, BOCES does not authorize unacceptable devices including, but not limited to, gaming devices or consoles, laser pointers, and personal modems or routers.

Instructional Uses

Instructional uses include, but are not limited to, approved classroom activities, research, college admissions activities, career development, communication with experts, homework, and other activities considered appropriate by BOCES staff.

Students are permitted to have and use any personal technology device as authorized by their teachers and administration for use in classrooms. Students are expected to act responsibly and thoughtfully when using technology resources. While students are permitted to possess and use these devices during the school day, they are prohibited from using them in any manner which invades the privacy of students, employees, volunteers, or visitors, or that otherwise violates law or any provision of this Code

of Conduct. If a student violates this prohibition, then he or she may be disciplined under this Code of Conduct. Students should keep any permitted electronic device on BOCES property in a safe and responsible manner as instructed by the building principal. Passwords and personal technology devices should not be shared with others. A student's electronic device may be confiscated and subject to a search in accordance with this Code, if BOCES officials have reasonable suspicion to believe that the search will reveal evidence of a violation of law, the Code of Conduct, or other BOCES rules or policies.

Non-Instructional Uses

Appropriate use of personal technology during non-instructional time is also permitted if students follow the guidelines in the Acceptable Use Policy and Code of Conduct. Non-instructional use includes texting, calling, or otherwise communicating with others during free periods and within common areas of the school building such as the hallways, cafeteria, study halls, buses, and student lounges. Other non-instructional uses may include internet searches, reading, listening to music, and watching videos. Use during non-instructional time must be conducted in a safe and unobtrusive manner. Devices must be in silent mode to avoid disrupting others.

Teachers and all other BOCES personnel should exemplify and reinforce acceptable student behavior, including possession and use of electronic devices.

Prohibition During State Assessments

Unless authorized by law, regulation, or government rule, all students are prohibited from bringing electronic devices into a classroom or other location where a New York State assessment is being administered. Test proctors, monitors, and school officials have the right to collect prohibited electronic devices prior to the start of the test and hold them while the test is being administered, including break periods. Admission to any assessment will be denied to any student who refuses to relinquish a prohibited device.

VI. Prohibited Student Conduct

BOCES expects all students to conduct themselves in an appropriate and civil manner per the BOCES Code of Conduct, with proper regard for the rights and welfare of other students, personnel, and other members of the school community, and with respect to facilities and equipment. These expectations apply to internships and student work experiences.

Discipline should be self-imposed; students must learn to assume and accept responsibility for their own behavior as well as the consequences of their misbehavior. BOCES personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to develop self-discipline.

Students who do not accept responsibility for their own behavior or who violate these school rules may be disciplined up to and including suspension from school or removal from a program, when they engage in conduct that is disorderly; insubordinate; disruptive; violent; endangers the safety, morals, health, or welfare of others; engage in misconduct on a school bus; or engage in academic misconduct including at work/internship sites.

Students are expected to promptly report any violations to a teacher or administrator. Anyone who, in good faith, reports a violation of the law, school rule, or Code of Conduct, may not be retaliated against. Students who knowingly make false accusations against another individual may face disciplinary action. This can include, but is not limited to, knowingly making false statements or knowingly submitting false information during the grievance process under Title IX, which is prohibited by this Code.

Students may be disciplined when they:

1) **Engage in Conduct that is Disorderly**

Examples of disorderly conduct include, but are not limited to:

 2. Results in, or can be reasonably expected to result in, a material or substantial disruption to the educational environment.

5) **Engage in Any Conduct that Endangers the Safety, Morals, Health, or Welfare of Others**

Examples of this conduct include, but are not limited to:

- b. Stealing BOCES property or the property of other students, BOCES personnel, or any other person lawfully on BOCES property or while attending a BOCES function.

This can include posting, publishing, or disseminating written materials, video or audio recordings, or pictures on the internet, social media, or on any BOCES-owned or personally owned electronic device, when such conduct poses a reasonably foreseeable risk that the content would come to the attention of school authorities and would result in material and substantial disruption to the educational environment, or does result in such disruption.
- d. Engaging in acts of harassment, bullying, cyberbullying, intimidation, or discrimination, including conduct prohibited by the Dignity for All Students Act (see Section VII of this Code).
- e. Inappropriate communication of a sexual nature, including by means of any personal technology, electronic device, or other means of technology, including, but not limited to, the taking, sending, or receiving of sexually explicit videos, pictures, or audio.

Illegal and/or prohibited drugs/substances include, but are not limited to, inhalants, marijuana (including any other marijuana-based product or derivative, whether natural or synthetic), synthetic cannabinoids, cocaine, LSD, PCP, amphetamines, heroin, steroids, look-alike substances, and any other synthetic or designer drugs.

*The definition of illegal drugs includes controlled substances. While cannabis (marijuana) is a controlled substance under federal law, it has been legalized by New York State for adult use under certain circumstances. However, it is illegal for anyone under the age of 21 to purchase, possess, or use adult-use cannabis. Regardless of age, the sale, purchase, possession, and/or use of cannabis is prohibited on BOCES or host school grounds under state and federal laws and/or BOCES policy.

Students must behave while riding on buses under the authority of Erie 1 BOCES, the component/host district, or the district of residence to ensure their safety and that of other passengers, and to avoid distracting the bus driver. Behaviors such as excessive noise, pushing, shoving, fighting, harassment, bullying, and discrimination will not be tolerated. Misbehavior may be addressed under the authority of the Code of Conduct of Erie 1 BOCES, the component/host district, or the district of residence. Students who misbehave on school buses under the authority or supervision of the component/host district or the district of residence going to or from a BOCES program will be immediately referred to their district of residence for discipline.

7) Engage in any Form of Academic Misconduct

Examples of academic misconduct include, but are not limited to:

- a. Plagiarism
- b. Cheating in any form or by any means, including virtually.
- c. Copying
- d. Altering records/forgery
- e. Accessing other users' email accounts or network storage accounts, or attempting to read, delete, copy, modify, or interfere with transferring or receiving electronic communications.

- j. Assisting another student in any of the actions specified in Section VI (7).

VII. Harassment, Bullying, and Discrimination

BOCES seeks to create an environment free of harassment, bullying, and discrimination, to foster civility in its schools and programs, and to prevent conduct which is inconsistent with its educational mission. BOCES therefore prohibits all forms of harassment and bullying of students by employees or other students on BOCES or school property and at BOCES functions. BOCES further prohibits discrimination against students, including, but not limited to, those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, gender identity or expression, or sex by BOCES employees or other students on BOCES property and at BOCES-sponsored functions that take place at locations off BOCES property. In addition, acts of harassment and/or bullying that occur off BOCES/school property, where such acts create or would foreseeably create a risk of substantial disruption within the BOCES/school environment, where it is foreseeable that the conduct, threats or intimidation or abuse might reach BOCES/school property, may be subject to discipline or other corrective action.

BOCES will take disciplinary measures for incidents involving harassment, bullying, or discrimination consistent with this Code of Conduct. Responses will be reasonably calculated to end the harassment, bullying, or discrimination, prevent recurrence, and eliminate any hostile environment.

The BOCES may also avail itself of remedial responses to incidents of harassment, bullying, or discrimination to affect the end of this behavior. Remedial responses may include but, are not limited to: peer support groups; corrective instruction or other relevant learning or service experience; supportive intervention; or other research-based methods of harassment, bullying, or discrimination prevention.

Dignity Act Coordinators

In each of its schools, BOCES has designated at least one employee to serve as a Dignity Act Coordinator (DAC). In accordance with the regulations of the Commissioner of Education, each DAC has been or will be thoroughly trained in the areas of: human relations; harassment, bullying, and discrimination; and exclusion, bias, and aggression in the educational setting. DACs are charged with coordinating and enforcing DASA's requirements and its implementing regulations and policies.

The designated DACs and their contact information are:

Prohibition of Retaliatory Behavior

In accordance with Education Law, any person who has reasonable cause to suspect that a student has been subjected to harassment, bullying, or discrimination by an employee or student on BOCES grounds or at a BOCES function, who acts reasonably and in good faith in reporting that information to BOCES officials, the Commissioner of Education, or law enforcement authorities, or otherwise initiates, testifies, participates, or assists in any formal or informal proceedings, has immunity from any civil liability that may arise from making the report or from initiating, testifying, participating, or assisting in the proceedings. Furthermore, the Board prohibits any retaliatory action against any person who, acting reasonably and in good faith, either makes a report of harassment, bullying, or discrimination, or who otherwise initiates, testifies, participates, or assists in the investigation of a complaint of harassment, bullying, or discrimination.

VIII. Reporting Violations

All students are expected to promptly report Code of Conduct violations to a teacher, guidance counselor, or the building principal or designee. All BOCES staff who are authorized to impose disciplinary sanctions are expected to do so in a prompt, fair, and lawful manner. BOCES staff who are not authorized to impose disciplinary sanctions are expected to promptly report Code of Conduct violations to their supervisor, who will in turn impose an appropriate disciplinary sanction, if so authorized, or refer the matter to a staff member who is authorized to impose an appropriate sanction.

The building principal or designee may be directed to notify the appropriate local law enforcement agency of Code violations that constitute a crime and substantially affect the order or security of BOCES property as soon as practicable, but in no event later than the close of business the day the principal or designee learns of the violation. The notification may be made by telephone, followed by a letter mailed on the same day the telephone call is made. The notification must identify the student and explain the conduct that violated the Code of Conduct and constituted a crime.

Furthermore, incidents of physical assault, threatening behavior, or verbal abuse by a student against BOCES personnel must be reported in accordance with BOCES policy 6190, Workplace Violence Prevention Policy Statement.

Reporting Weapons or Substance Abuse Violations

Any student observing a student possessing a weapon, alcohol, or illegal drugs/substances on BOCES property or at a BOCES function must report this information immediately to a teacher or the building principal or designee. Staff who observe such misconduct will report this information immediately to the building principal or designee. Any weapons, alcohol, or illegal drugs/substances found will be confiscated immediately, followed by notification of the involved student's parent, and the appropriate disciplinary action, up to and including permanent suspension and referral for prosecution.

*The definition of illegal drugs includes controlled substances. While cannabis (marijuana) is a controlled substance under federal law, it has been legalized by New York State for adult use under certain circumstances. However, it is illegal for anyone under the age of 21 to purchase, possess, or use adult-use cannabis. Regardless of age, the sale, purchase, possession, and/or use of cannabis is prohibited on BOCES or host school grounds under state and federal laws and/or BOCES policy.

IX. Disciplinary Consequences and Procedures

Discipline is most effective when it is timely, and directly addresses the issue in a way that students consider fair and impartial. All discipline is to be appropriate to the situation and in accordance with law, regulations, and BOCES policies. BOCES personnel who interact with students will use disciplinary action only when necessary and to place emphasis on the student's ability to develop self-discipline.

Disciplinary action will be firm, fair, and consistent. To be the most effective in changing student behavior, there must be a rational relationship between the student's behavior and the consequences. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary consequences will consider the following:

- 1) The student's age.
- 2) The nature of the offense and the circumstances which led to the offense.
- 3) The student's prior disciplinary record.
- 4) The effectiveness of other forms of discipline.
- 5) Information from parents, teachers, and others, as appropriate.
- 6) Other extenuating circumstances.

Generally, discipline will be progressive and will include measured, balanced, and age-appropriate remedies and procedures that make appropriate use of prevention, education, intervention, and discipline. This means that a student's first violation will usually lead to a less serious consequence than subsequent violations. Under some circumstances, however, a serious first violation may lead to disciplinary action, including, but not limited to, suspension or removal from BOCES programs. Each student will be disciplined individually, taking into account appropriate factors.

Special education students in a BOCES special education program may display a range of behaviors which may be considered disruptive within a regular education setting. These behaviors may include conduct that is disorderly, insubordinate, disruptive, or violent. BOCES special education programs incorporate behavior management systems as part of the overall instructional program that are designed to address this range of student behaviors. Students with disabilities may be disciplined in accordance with this Code of Conduct and applicable provisions of law. If a student's conduct is related to a disability or suspected disability, specific procedures outlined within this Code will be followed.

Disciplinary Consequences

Students learn socially appropriate behavior by being allowed to experience both positive and negative consequences for their actions. In addressing student behaviors that may impede learning, BOCES uses a variety of appropriate classroom management techniques including:

- 1) Positive supports, strategies, and interventions to improve students' motivation, social skills, problem solving abilities, anger management, and conflict resolution abilities;
- 2) Environmental modifications to support students' abilities to maintain attention, stay on task, and control their behavior;
- 3) Building-wide behavior management systems to improve students' abilities to understand the connections between their behavior and more or less desired outcomes.

As a general practice and whenever possible, these interventions are used in combination before imposing more severe disciplinary consequences.

Students who violate the BOCES Code of Conduct may be disciplined as follows:

DISCIPLINARY CONSEQUENCE	PERSONNEL IMPOSING THE CONSEQUENCE
Oral Warning	Any member of BOCES staff
Written Warning/Referral	Educational program staff and bus drivers
Written notification to parent	Teachers, student support services personnel, Principal, Supervisor, or designee
Suspension of other privileges	Principal, Supervisor, or designee
Detention	Principal, Supervisor, or designee
In-School Suspension	Principal/Acting Principal
Formal removal from classroom	Teachers, Principal or designee
Short-term (five days or less) suspension	Principal/Acting Principal
Long-term (more than five days) suspension from school	Officials of the student's home district
BOCES Program exclusion	Officials of the BOCES and the student's home district
Permanent suspension from school	Officials of the student's home district

Students may be required to reimburse BOCES as restitution for costs or damages incurred by BOCES resulting from any misconduct.

Parents are powerful partners in a student's behavioral growth and in their child's development of acceptable social skills. BOCES realizes that good communication and informal relations between parents and educators are critical to resolving discipline issues. The use of sustained, multiple, coordinated interventions at home and in school provide students with the consistency they need to develop appropriate behaviors. Parents must help the staff by reinforcing positive school behavior and disciplinary consequences. BOCES recognizes that parental involvement in the behavioral process is required for the student to develop the behaviors that will ensure success in the school setting and life. Therefore, it is BOCES' philosophy to provide the parent with regular and early notification by phone or writing when a student's behavior is becoming problematic in addition to the required procedural notifications specified below.

Procedures

The amount of due process a student is entitled to receive before a consequence is imposed depends on the circumstances. In all cases, regardless of the consequence imposed, the authorized BOCES personnel must inform the student of the alleged misconduct and must investigate, to the extent necessary, the facts surrounding the alleged misconduct. All students will have an opportunity to present their version of the facts before the consequence is imposed.

Students who receive consequences other than an oral warning, written warning, or written notification to their parents are entitled to additional rights before imposition of the consequence, that are explained below.

Suspension from Extracurricular Activities and Bus Transportation

A student suspended from privileges such as extracurricular activities or transportation is not entitled to a full hearing under Education Law § 3214. The student and the student's parent will be provided with a reasonable opportunity to discuss the alleged misconduct with the BOCES official imposing the suspension and the consequences arising from that conduct.

In-School Suspension

BOCES must balance the need of students to attend school and the need for order in the classroom to establish an environment conducive to learning. Therefore, building principals and those individuals designated as acting principals by the Board may place students who would otherwise be suspended from BOCES as the result of a Code of Conduct violation into in-school suspension. Students will be provided alternative instruction by appropriately certified individuals in accordance with applicable law.

A student subject to an in-school suspension is not entitled to a full hearing under Education Law § 3214. The student and the student's parent will be provided with a reasonable opportunity to discuss the conduct and the penalty involved with the BOCES official imposing the in-school suspension. BOCES will notify parents/guardians of their child's placement in in-school suspension in accordance with applicable law.

Detention

After-school or lunch detention may be used as a penalty for student misconduct in situations where removal from the classroom or suspension is inappropriate.

Removal of Disruptive Students by a Teacher

A student's behavior can affect a teacher's ability to teach and can make it difficult for other students in the classroom to learn. In most instances, the classroom teacher can control a student's behavior and maintain or restore control over the classroom by using appropriate classroom management techniques as listed in this Code.

On occasion, a student's behavior may become substantially disruptive. A substantial disruption of the educational process or substantial interference with a teacher's authority occurs when a student demonstrates a persistent unwillingness to comply with the teacher's instructions or repeatedly violates the teacher's classroom rules. A classroom teacher may remove a disruptive student from class for up to two days. The removal from class applies to the class of the removing teacher only. The teacher will follow the procedure attached under **Appendix A**.

Suspension from School

Suspension from school is a more severe consequence, which may be imposed only upon students who are insubordinate, disorderly, violent, or disruptive, or whose conduct otherwise endangers the safety, morals, health, or welfare of self or others.

The Board may suspend students, but places primary responsibility for the short-term suspension of students with the building principal, and those individuals designated as acting principal by the Board, (collectively, "principal"), and, for long-term suspensions, with the home school district. The home school district is also responsible for ensuring the provision of alternative instruction for students who

are suspended from a BOCES program. All Career and Technical Education students who are under suspension in their home school will be automatically suspended by BOCES during the time of their home school suspension. Administrators of the home districts will inform BOCES of student suspensions.

Any staff member may recommend to the principal that a student be suspended. All staff members must immediately report and refer a violent student to the principal for violating the Code of Conduct. All recommendations and referrals will be made in writing unless the conditions underlying the recommendation or referral warrant immediate attention. In these cases, a report will be prepared as soon as possible by the staff member recommending the suspension.

The principal/acting principal, upon receiving a recommendation or referral for suspension, or when processing a case for suspension, will gather the relevant facts and record them for subsequent presentation, if necessary.

1) Short-term (5 days or less) Suspension from School

BOCES will initiate the suspension of students from one of its programs when other forms of behavior intervention and disciplinary action have failed, unless circumstances otherwise warrant.

- a. Suspension may only be imposed by a principal/acting principal, for a period of time not to exceed five school days. Suspensions may not be imposed by any other staff member.
- b. The student being suspended must be told of the proposed suspension and the reason for the proposed suspension by the principal/acting principal.
- c. The parents of the student are to be notified in writing of the proposed suspension by personal delivery, express mail delivery, or equivalent means within 24 hours, with notification by telephone, where possible.
- d. The student and parent will, on request, be given an opportunity for an informal conference with the principal/acting principal and complaining witnesses. This notice and opportunity for an informal conference will take place before the suspension unless the student's presence in the school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process, in which case the notice and opportunity for an informal conference will take place as soon after the suspension as is reasonably practicable.
- e. A copy of the suspension letter will be placed in the student's file.
- f. The home school district will be notified immediately of the suspension.
- g. Upon return to school for reinstatement, the student should be accompanied, if possible, by either or both parents for a reinstatement interview including district personnel as warranted. A phone conference may also be required.

2) Long-term (more than 5 days) Suspension from School

Principals will refer students to their home districts for disciplinary proceedings where the alleged offense(s) may warrant a suspension of more than five days.

To facilitate review and action according to the disciplinary procedures established within the home district's Code of Conduct, the BOCES principal will provide appropriate documentation to the appropriate school official of the student's home school district.

For suspensions in excess of five school days, where the basis for the suspension is, in whole or in part, the possession on BOCES/school grounds or BOCES/school property by the student of any firearm, rifle, shotgun, dagger, dangerous knife, dirk, razor, stiletto or any of the weapons, instruments or appliances specified in Penal Law 265.01(1), the hearing officer or superintendent of the student's home school district shall not be barred from considering the admissibility of such weapon, instrument or appliance as evidence, notwithstanding a determination by a court in a criminal or juvenile delinquency proceeding that the recovery of such weapon, instrument or appliance was the result of an unlawful search or seizure. For purposes of this paragraph, items specified in Penal Law 265.01(1) include any firearm, electronic dart gun, electronic stun gun, gravity knife, switchblade knife, pilum ballistic knife, metal knuckle knife, cane sword, billy, blackjack, bludgeon, plastic knuckles, metal knuckles, chuka stick, sandbag, sandclub, wrist-brace type slingshot or slungshot, shirken or "Kung Fu star."

X. Minimum Periods of Suspension

As prescribed by law, the following behaviors are serious enough to justify suspension by BOCES of at least five days or referral of students to the home school district for long-term (more than 5 days) suspension from school or permanent suspension:

1) Bringing or possessing a firearm as defined by the Gun Free Schools Act to BOCES

Any student found guilty of bringing or possessing a firearm, as defined by 18 USC Section 921 and in Section II of this Code of Conduct for purposes of the Gun-Free Schools Act and its implementing provisions in the New York State Education Law, onto BOCES property or to a BOCES function will be subject to suspension from BOCES by their home school district for at least one calendar year. The student will have an opportunity for a hearing in the home school district in accordance with Education Law § 3214. The Superintendent of the home school district has the authority to modify the one-year suspension on a case-by-case basis, considering appropriate factors.

2) Committing violent acts

Any student who is found to have committed a violent act, other than bringing a firearm onto BOCES property as defined by the Gun Free Schools Act, shall be subject to suspension from school for at least five days. A "violent act" is any act that would qualify the student to be defined as a "violent pupil" in accordance with Education Law Section 3214(2) (2-a) and Section II of this Code of Conduct. If a minimum five-day suspension is proposed, the student and the student's parents will be given the same notice and opportunity for an informal conference given to all students' subject to a short-term suspension. If the proposed suspension exceeds the minimum five-day suspension, the student and the student's parents will be given the same notice and opportunity for a hearing given to all students' subject to a long-term suspension as per the Code of Conduct of the student's home school district. The District Superintendent of BOCES has the authority to modify the minimum five-day suspension on a case-by-case basis using appropriate factors.

3) Repeatedly and substantially disrupting the educational process or repeatedly and substantially interfering with the teacher's authority over the classroom.

Any disruptive student may be suspended for at least five days. BOCES will consider whether the student is "repeatedly and substantially disruptive" on four or more occasions during a semester or three or more occasions during a trimester. If a minimum five-day suspension is

proposed, the student and the student's parents will be given the same notice and opportunity for an informal conference given to all students' subject to a short-term suspension. If the proposed suspension exceeds the minimum five-day suspension, the student and the student's parents will be given the same notice and opportunity for a hearing given to all students' subject to a long-term suspension as per the Code of Conduct of the student's home school district. The District Superintendent of BOCES has the authority to modify the minimum five-day suspension on a case-by-case basis using appropriate factors.

XI. Referrals

1) Counseling

BOCES staff may make recommendations for counseling evaluations to appropriate programs.

2) PINS Petitions

A PINS (person in need of supervision) petition may be filed in Family Court on any student under the age of 18 who demonstrates that he or she requires supervision and treatment by:

- a. Being habitually truant.
- b. Behaving in a way that is ungovernable or habitually disobedient and beyond the lawful control of his or her parents, guardian, or lawful custodian.
- c. Violating the provisions of Penal Law Section 230.00.
- d. Having been the victim of sexual exploitation, provided he or she consents to the filing.

3) Juvenile Delinquents and Juvenile Offenders

With the exception of a student 14 or 15 years of age who qualifies for juvenile offender status under Criminal Procedure Law § 1.20(42), the District Superintendent will refer a student under the age of 16 who has been determined to have brought a weapon or firearm to school in violation of Education Law § 3214 to a presentment agency for a juvenile delinquency proceeding. The District Superintendent will refer a student 16 years of age and older or students 14 or 15 years of age who qualifies for juvenile offender status, and who has been determined to have brought a weapon or firearm to school, to the appropriate law enforcement officials. For purposes of this Section of the Code of Conduct, "weapon" means a weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2-1/2 inches in length. For purposes of this Section of the Code of Conduct, the term "firearm" shall be as defined in Section II of this Code.

4) Law Enforcement

BOCES building principals, supervisors, acting principals, or the District Superintendent or designee may notify local law enforcement in the event a violation of this Code constitutes a crime. This notification will be made not later than the close of business the day the principal/supervisor/acting principal/DS or designee learns of the violation, or as soon as practicable. The notification will identify the student and explain the conduct at issue. As appropriate,

BOCES will pursue the filing of criminal charges against the student involved in the misconduct.

XII. Disciplining Students with Disabilities

It may be necessary to suspend, remove, or otherwise discipline students with disabilities to address disruptive or problem behavior. Students with disabilities enjoy certain procedural protections whenever school authorities intend to impose discipline upon them. The Board is committed to ensuring that the procedures followed for suspending, removing, or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations.

This Code of Conduct affords students with disabilities subject to disciplinary action no greater or lesser rights than those expressly afforded by applicable federal and state law and regulations

Authorized Suspensions or Removals of Students with Disabilities

- 1) For purposes of this section of the Code of Conduct, the following definitions apply:
 - a. A "suspension" means a suspension in accordance with Education Law § 3214(3)(a) through (d).
 - b. A "removal" means a removal for disciplinary reasons from the student's current educational placement, other than a suspension, and the change in placement to an interim alternative educational setting (IAES) ordered by an impartial hearing officer because the student poses a risk of harm to himself or herself or others or by the home school district for behavior involving weapons, illegal drugs or controlled substances, or serious bodily injury.
 - c. An "IAES" means a temporary educational placement, other than the student's current placement, at the time the behavior precipitating the IAES placement occurred. A student placed in an IAES will continue to receive educational services to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in his or her Individualized Education Program (IEP). A student who is placed in an IAES will also receive, as appropriate, a functional behavior assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur.
 - d. "Weapon" means any weapon, device, instrument, material, or substance, animate or inanimate, that is used for, or is readily capable of, causing death or serious bodily injury, except that such term does not include a pocket knife with a blade of less than 2-1/2 inches in length.
 - e. "Controlled substance" means a drug or other substance identified in certain provisions of the federal Controlled Substances Act.
 - f. "Illegal drugs" means a controlled substance, except for those legally possessed or used under the supervision of a licensed health-care professional or that is legally possessed or used under any other authority under the Controlled Substances Act or any other federal law.

- g. "Serious bodily injury" means bodily injury which involves (i) a substantial risk of death, (ii) extreme physical pain, (iii) protracted and obvious disfigurement, or (iv) protracted loss or impairment of the function of a bodily member, organ, or mental faculty.
- 2) BOCES personnel may order the suspension or removal of a student with a disability from the student's current educational placement as follows:
- a. The Board, the District Superintendent, building principal and those individuals designated as acting principal by the Board may order the placement of a student with a disability into an IAES, another setting, or suspension for a period not to exceed five consecutive school days and not to exceed the amount of time a non-disabled student would be subject to suspension for the same behavior.
 - b. For violations of this Code of Conduct that warrant a suspension of more than five days, or for suspensions that may constitute a change of placement, the building principal/acting principal will refer such student to his or her home school district.
 - c. For suspensions in excess of ten days, or suspensions that constitute a disciplinary change in placement, a referral to the student's home school district's CSE/Manifestation Team will be made. Even where a manifestation is found, the superintendent of the home school district may order the placement of a student with a disability in an IAES to be determined by the CSE, for the same amount of time that a student without a disability would be subject to discipline, but not more than 45 days, if the student carries or possesses a weapon to or at BOCES or school, on BOCES property or to or at a BOCES function, or the student knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at BOCES or school or at BOCES function, or has inflicted serious bodily injury upon another person while at BOCES, on BOCES property or at a BOCES function.

Change of Placement Rule

BOCES personnel may not suspend or remove a student with disabilities if imposition of the suspension or removal would result in a disciplinary change in placement based on a pattern of suspension or removal, except where the relevant CSE has determined that the behavior was not a manifestation of the student's disability, or the student is placed in an IAES for behavior involving weapons, illegal drugs or controlled substances, or serious bodily injury.

Referral to Law Enforcement and Judicial Authorities

In accordance with the provisions of Individuals with Disabilities Education Act (IDEA) and its implementing regulations:

- 1) BOCES may report a crime committed by a child with a disability to appropriate authorities, and this action will not constitute a change of the student's placement.
- 2) The District Superintendent will ensure that copies of the special education and disciplinary records of a student with disabilities are transmitted for consideration to the appropriate authorities to whom a crime is reported, to the extent permitted by the Family Educational Rights and Privacy Act.

XIII. Timeout and Physical Restraint

The BOCES prohibits the use of corporal punishment, aversive interventions, and seclusion. The BOCES authorizes the limited use of timeout and physical restraint in schools to address student behaviors subject to conditions in law, regulation, and policy # 7350, Timeout and Physical Restraint.

Authorized Limited Use of Timeout and Physical Restraint

Positive, proactive, evidence-based, and research-based strategies through a multi-tiered system of supports will be used to reduce the occurrence of challenging behaviors, eliminate the need for the use of timeout and physical restraint, and improve school climate and the safety of all students.

Timeout and physical restraint may be used only when:

- 1) Other less restrictive and intrusive interventions and de-escalation techniques would not prevent imminent danger of serious physical harm to the student or others;
- 2) There is no known medical contraindication to its use on the student; and
- 3) Staff using the interventions have been trained in its safe and appropriate application.

Timeout and physical restraints will not be used as discipline or punishment, retaliation, or as a substitute for positive, proactive intervention strategies that are designed to change, replace, modify, or eliminate a targeted behavior.

All BOCES policies and procedures related to the authorized limited use of timeout and physical restraint will be followed.

Recordkeeping

The BOCES will maintain documentation on the use of timeout and/or physical restraint, including timeout used in conjunction with a student's behavioral intervention plan, for each student. This documentation will include:

- 1) The name and date of birth of the student;
- 2) The setting and location of the incident;
- 3) The name of the staff who participated in the implementation, monitoring, and supervision of the use of timeout and/or physical restraint and any other persons involved;
- 4) A description of the incident including duration, and, for physical restraint, the type of restraint used;
- 5) Whether the student has an individualized education program, Section 504 accommodation plan, behavioral intervention plan, or other plan developed for the student;
- 6) A list of all positive, proactive intervention strategies utilized prior to the use of timeout and/or physical restraint and, for students with disabilities, whether those strategies were consistent with a student's behavioral intervention plan, if applicable;
- 7) The details of any injuries sustained by the student or staff during the incident and whether the student was evaluated by the school nurse or other medical personnel;

- 8) The date and method of notification to the parent or person in parental relation and whether a meeting was held; and
- 9) The date of the debriefing held.

Documentation of the incident will be reviewed by supervisory personnel and, as necessary, the school nurse or other medical personnel.

Documentation of each incident will be maintained by the school and made available for review by the New York State Education Department upon request.

Reporting

The BOCES will submit an annual report on the use of physical restraint and timeout and substantiated and unsubstantiated allegations of use of corporal punishment, mechanical restraint, and other aversive interventions, prone physical restraint, and seclusion to the New York State Education Department, on a form and at a time prescribed by the Commissioner of Education in accordance with law and regulation.

XIV. Student Searches and Interrogations

The Board is committed to providing an atmosphere for a positive, safe, and orderly school environment. BOCES may conduct routine patrols of parking lots and plain-view inspections of student automobiles while on BOCES property.

In all instances, any search of students or their property must be justified at its inception; there must be reasonable grounds for suspecting the search will turn up evidence that the student has violated or is violating the law or BOCES rules. The search must also be reasonably related in scope to the circumstances that justified the interference in the first place.

Factors to be considered in determining whether a search is reasonable at its inception include, but are not necessarily limited to:

- 1) Nature and reliability of the information received regarding the proscribed activity. An authorized BOCES official may search a student or the student's belongings based upon information received from a reliable informant. BOCES employees will be considered reliable informants unless they are known to have previously supplied information that they knew was not accurate. Other individuals, other than the BOCES employees, will be considered reliable informants if they have previously supplied information that was accurate and verified, make an admission against their own interest, provide the same information that is received independently from other sources, or appear to be credible and the information they are communicating relates to an immediate threat to safety.
- 2) The existence of observable phenomena, such as direct observation of use or the physical symptoms of using or being under the influence of illegal controlled substances or alcohol such as slurred speech, disorientation, a pattern of abnormal conduct, or erratic behavior.

The measures adopted in searching a student will be considered reasonable in scope when they are reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.

Lockers and Desks

Lockers and desks are the property of BOCES and are provided for use by students; BOCES administration has the right to search them. A student may have exclusive use of these storage places as far as other students are concerned, but he/she does not have exclusivity over the locker as against the BOCES authorities. Officials who wish to search a closed item (e.g., backpack, purse, etc.) within a locker or desk must have reasonable suspicion to search that item.

Searches/Screenings

The possession or use of any weapon or dangerous item in schools creates a significant threat to safety as well as an impediment to teaching and learning. BOCES administrative staff (or designee, under the direction of a BOCES administrator), are authorized to use metal detectors and/or concealed weapon detection systems to the extent determined necessary to protect and promote the safety, health and welfare of students, faculty, staff, employees, and other persons within BOCES schools and programs.

Questioning of Students by School Officials

School officials or designees have the right to question students regarding any violations of school rules or illegal activity. In general, administration may conduct investigations concerning reports of misconduct which may include, but are not limited to, questioning students, staff, parents, or other individuals and, when necessary, determining disciplinary action in accordance with applicable due process rights.

Should the questioning of students by BOCES officials focus on the actions of one particular student, the student will be questioned, if possible, in private by the appropriate BOCES administrator. The student's parent may be contacted; the degree, if any, of parental involvement will vary depending upon the nature and the reason for questioning, and the necessity for further action which may occur as a result.

The questioning of students by BOCES officials does not preclude subsequent questioning/interrogations by police authorities as otherwise permitted by law. Similarly, the questioning of students by BOCES officials does not negate the right/responsibility of BOCES officials to contact appropriate law enforcement agencies, as may be necessary, with regard to statements given by students to school officials.

BOCES officials acting alone and on their own authority, without the involvement of or on behalf of law enforcement officials are not required to give Miranda warnings (i.e., advising a person, prior to any custodial interrogations as defined in law, of the right to remain silent; that any statement made by the individual may be used as evidence against him/her; and that the individual has the right to the presence of an attorney, either retained or appointed) prior to questioning students.

Law Enforcement Officials

BOCES will maintain a cooperative effort with law enforcement agencies. Law enforcement officials may be summoned to conduct an investigation of alleged criminal conduct on BOCES property or during a BOCES function, or to maintain the educational environment. They may also be summoned to maintain or restore order when their presence is necessary to prevent injury to persons or property. Administrators have the responsibility and the authority to determine when the assistance of law enforcement officers is necessary.

Interrogation of Students by Law Enforcement Officials

Generally, law enforcement officials may only interview students on BOCES property or at a BOCES function without the permission of a parent in situations where a warrant has been issued for the student's arrest (or removal) or the questioning concerns a crime committed on BOCES property or at a

BOCES function. In all other situations, if the law enforcement officials wish to speak to a student without a warrant, they should directly contact the student's parent.

When law enforcement officials wish to question a student on BOCES property or at a BOCES function, administration will attempt to notify the student's parent.

If possible, questioning should take place in private and outside the presence of other students, but in the presence of the building principal/designee.

School Resource Officers (SROs) and Other School Safety Officers (SSOs)

Erie 1 BOCES, or a host district where a BOCES program is located, may utilize School Resource Officers (SROs) or School Safety Officers (SSOs). In a building or instructional program operated by BOCES, any searches of students and/or their property that are initiated and conducted by BOCES staff shall meet the "reasonable suspicion" standard for searches as described above. In the event that a search of a student and/or his or her property is initiated or conducted by an SRO or SSO acting in his or her capacity as a law enforcement officer, such search must be justified by probable cause.

Child Protective Services' Investigations

Occasionally, Child Protective Services (CPS) may wish to conduct interviews of students on BOCES property. These interviews generally pertain to allegations of suspected child abuse or maltreatment. The Board encourages cooperation with CPS with respect to access to records and access to any child named as a victim, any of the victim's siblings, or any other child residing in the same home as the named victim, in accordance with applicable law.

XV. Visitors to BOCES

The Board encourages parents and other members of the public to visit BOCES schools and classrooms to observe the work of students, teachers, and other staff. Since schools are places of work and learning, however, certain limits must be set for these visits. The building principal or his or her designee is responsible for all persons on BOCES property. For these reasons, the following rules apply to visitors to BOCES:

- 1) Anyone who is not a regular staff member or BOCES student is a visitor.
- 2) All visitors must report to the Main Office or Principal's Office upon arrival. They will be required to sign the visitor's register and follow the prescribed building procedures, including the use of the Raptor Identification System where applicable.
- 3) Visitors attending BOCES functions that are open to the public, such as parent-teacher meetings or public gatherings, are not required to register.
- 4) Parents who wish to observe a classroom while school is in session must arrange these visits in advance, provide a rationale for the visit, and gain permission of the building administrator and the classroom teacher.
- 5) Teachers and student support service personnel will not take class time or related service sessions to discuss individual matters with visitors.
- 6) Any unauthorized person on BOCES property will be reported to the principal or his or her designee. Unauthorized persons will be asked to leave. The police may be called if the unauthorized person does not respond to requests or directions from BOCES personnel.

- 7) All visitors are expected to abide by the rules for public conduct on BOCES property contained in this Code of Conduct.

XVI. Public Conduct on BOCES Property

BOCES is committed to providing an orderly, respectful environment. To create and maintain this kind of an environment, it must regulate public conduct on its property and at its functions. For purposes of this section of the Code, "Public" means all persons, including our staff, when on BOCES property or attending a BOCES function including volunteers, vendors, visitors, contractors, staff of other BOCES, and component district personnel.

The restrictions on public conduct on BOCES property and at BOCES functions contained in this Code are not intended to limit freedom of speech or peaceful assembly. BOCES recognizes that free inquiry and free expression are indispensable to the objectives of BOCES. The purpose of this is to maintain public order and prevent abuse of the rights of others.

All persons on BOCES property or attending a BOCES function will conduct themselves in a respectful and orderly manner. In addition, all persons on BOCES property or attending a BOCES function are expected to be properly attired for the purposes for which they are on BOCES property.

Prohibited Conduct (including but not limited to the following)

No person, either alone or with others, will:

- 1) Intentionally injure any person or threaten to do so.
- 2) Intentionally damage or destroy BOCES property or the personal property of a student, teacher, administrator, other BOCES employee, or any person lawfully on BOCES property.
- 3) Disrupt the orderly conduct of classes, BOCES programs, other BOCES activities, or other BOCES work sites/internship.
- 4) Distribute or wear materials on BOCES property or at BOCES functions that are obscene, advocate illegal action, appear libelous, obstruct the rights of others, or are disruptive to the BOCES program or BOCES workplace.
- 5) Intimidate, harass, or discriminate against any person on the basis of race, color, religion, national origin, sex, sexual orientation, gender, gender identity or expression, age, disability, or other legally protected category.
- 6) Enter any portion of the BOCES property without authorization or remain after regular closing times.
- 7) Obstruct the free movement of any person in any place to which this Code applies.
- 8) Violate the traffic laws, parking regulations, or other restrictions on vehicles.
- 9) Possess, consume, sell, attempt to sell, distribute, or exchange or attempt to distribute or exchange alcoholic beverages, illegal drugs/substances, and controlled substances, including drug paraphernalia, or be under the influence on BOCES property or at a BOCES function.

*The definition of illegal drugs includes controlled substances. While cannabis (marijuana) has been legalized by New York State for adult use under certain

circumstances, it is illegal for anyone under the age of 21 to purchase, possess, or use adult-use cannabis. Regardless of age, the sale, purchase, possession, and/or use of cannabis is prohibited on BOCES or host school grounds under state and federal laws and/or BOCES policy. BOCES staff are further prohibited from performing their employment duties while impaired by cannabis.

- 10) Use tobacco and tobacco products (cigarettes or cigars, bidis, chewing tobacco, powdered tobacco, nicotine water, or any other tobacco products) on BOCES property unless otherwise authorized by law and applicable BOCES Policy.
- 11) Smoke or vape within 100 feet of the entrances, exits, or outdoor areas of any of the BOCES' schools.
- 12) Possess, display, use, or threaten to use any weapon(s,) as defined in Section II of this Code of Conduct, in or on BOCES property or at a BOCES function, except in the case of law enforcement officers or as specifically authorized by BOCES.
- 13) Loiter on BOCES property.
- 14) Refuse to comply with any reasonable order from identifiable BOCES officials performing their duties.
- 15) Willfully incite others to commit any of the acts prohibited by this Code.
- 16) Violate any federal or state statute, local ordinance, or Board policy and the BOCES Code of Conduct, where applicable, while on BOCES property or while at a BOCES function.

Penalties

- 1) Visitors: are subject to immediate ejection and may be precluded from returning to BOCES property or functions. BOCES may involve law enforcement officials for assistance.
- 2) Teachers and other BOCES staff: may be disciplined in accordance with this Code of Conduct, applicable law, or their collective bargaining agreements and due process requirements.
- 3) Contractors and vendors: BOCES will take appropriate action, consistent with the terms of any applicable contract, to ensure the offense is remedied and will not recur. The failure of a contractor or vendor to abide by the terms of this Code of Conduct may affect the renewal of existing agreements or the awarding of future contracts.

Enforcement

The building principal of an instructional site or his or her designee, or the District Superintendent at the Education Campus or his or her designee, is responsible for enforcing the conduct required by this Section of the Code.

When the building principal/administrator/designee sees an individual engaged in prohibited conduct, which in his or her judgment does not pose any immediate threat of injury to persons or property, the principal/administrator/designee will tell the individual that the conduct is prohibited and attempt to persuade the individual to stop. The principal/administrator will also warn the individual of the consequences for failing to stop. If the person still refuses to stop engaging in the prohibited conduct, or if the person's conduct poses an immediate threat of injury to persons or property, the principal/

administrator may have the individual removed immediately from BOCES property or the BOCES function. If necessary, local law enforcement authorities may be contacted to assist in removing the person.

BOCES may initiate disciplinary action against any staff member in accordance with this Code, applicable law, collective bargaining agreements, and due process requirements. In addition, BOCES may pursue or assist with a civil or criminal legal action against any person violating this Code of Conduct.

XVII. Dissemination and Review

The Board will work to ensure that the community is aware of this Code of Conduct by:

- 1) Providing a public hearing prior to its approval of the Code of Conduct.
- 2) Providing copies of a summary of the Code to all students in an age-appropriate, plain-language version at the beginning of each school year.
- 3) Providing a summary of the Code of Conduct written in plain language to all parents of BOCES students before the beginning of the school year and making this summary available later upon request.
- 4) Providing all current teachers and other staff members with a copy of the Code and a copy of any amendments to the Code as soon as practicable after adoption.
- 5) Providing all new employees with a copy of the current Code of Conduct when they are first hired.
- 6) Making copies of the **Code** available for review by students, parents, and other community members.
- 7) Mailing copies of the **Code of Conduct** to all component school districts.

The Board will sponsor an in-service education program for all BOCES staff members to ensure the effective implementation of the **Code of Conduct**, including, but not limited to, guidelines on promoting a safe and supportive school climate while discouraging, among other things, harassment, bullying, and discrimination against students by students or BOCES employees, and including safe and supportive school climate concepts in the curriculum and classroom management.

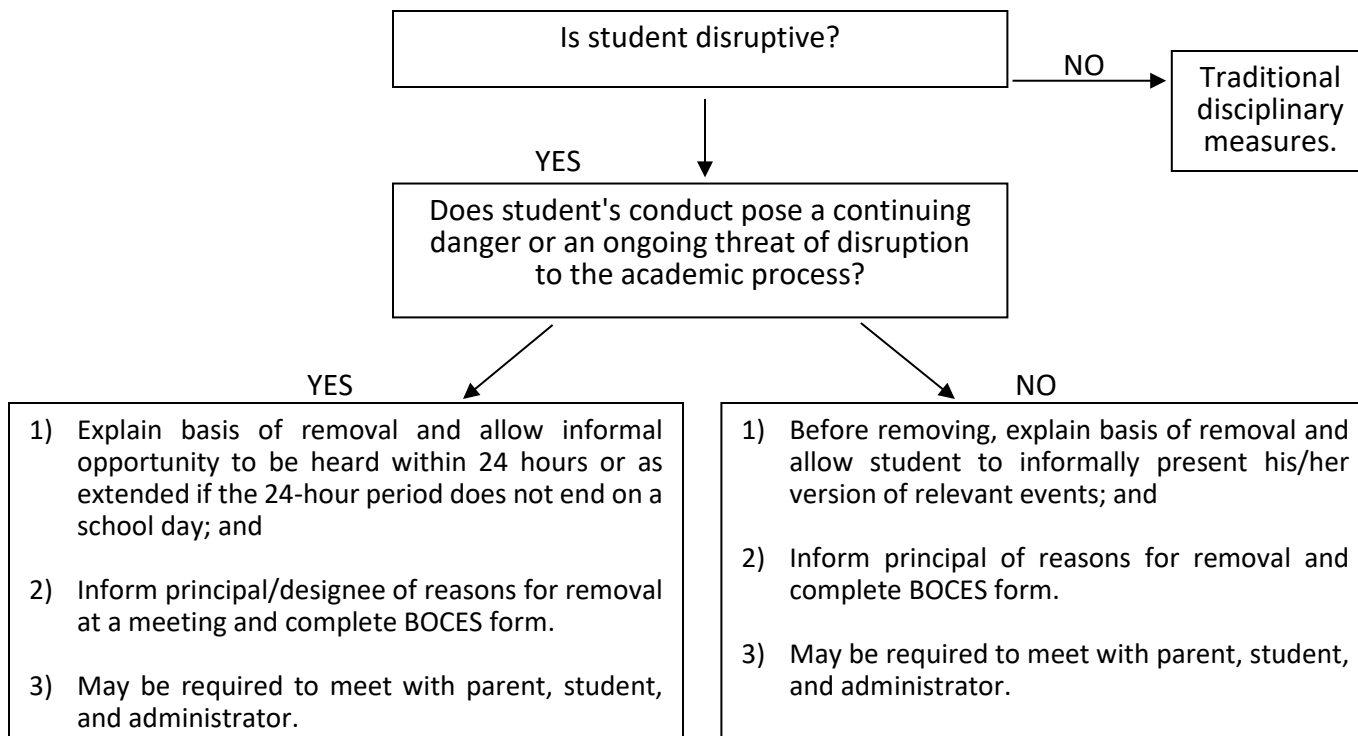

The Board will review this **Code of Conduct** every year and update it as necessary. In conducting the review, the Board will consider how effective the Code's provisions have been and whether the Code has been applied fairly and consistently.

Before approving any revisions to the Code, the Board will hold at least one public hearing at which school personnel, parents, students, and any other interested party may participate.

BOCES will post the complete **Code of Conduct**, with all amendments and annual updates, on its website. BOCES will also file a copy of its Code of Conduct and any amendments with the Commissioner, in a manner prescribed by the Commissioner, no later than 30 days after their respective adoptions.

Appendix A – Removal of a Disruptive Student by a Teacher

REMOVAL OF A DISRUPTIVE STUDENT BY A TEACHER

PRINCIPAL'S/DESIGNEE'S RESPONSIBILITIES TRIGGERED BY TEACHER REMOVAL

- 1) Within 24 hours of removal, or as extended if the 24-hour period does not end on a school day, inform parent of removal, reasons for it, and entitlement to informal meeting to discuss it, upon request.
- 2) Decide if teacher who ordered removal will attend informal meeting.
- 3) Within 48 hours of removal, or as extended if the 48-hour period does not end on a school day or by mutual agreement, and if the student denies the charges at the meeting, the student/parent must be given an explanation of the basis for removal and an opportunity to present his/her version.
- 4) Principal/designee must decide, by the close of business on the day following the opportunity for an informal hearing, whether the discipline will be overturned. Principal/designee may only set aside discipline if:
 - a. The charges against the student are not supported by substantial evidence.
 - b. The student's removal violated law or the *Code of Conduct*.
 - c. The conduct warrants suspension under Education Law § 3214, and a suspension will be imposed.

Notes:

- 1) The principal/designee may overturn a formal removal at any time between receiving the BOCES form and the close of business on the next school day following the 48-hour informal meeting period, if requested. No student removed from the classroom will be allowed to return until the principal/designee makes a final determination or the period for formal removal expires, whichever is less.
- 2) Any removed disruptive student will be offered continued educational programming and activities by a certified teacher in an alternate setting until the student is permitted to return to the classroom.
- 3) Each teacher must keep a complete log on a BOCES-provided form of all instances of formal student removals from his or her class. The principal/designee must keep a building log of all formal student removals.
- 4) Removal of a student with a disability, under certain circumstances, may constitute a change in the student's placement. Accordingly, no teacher may remove a student with a disability from his or her class until he or she has verified with the principal/designee or the chairperson of the Committee on Special Education that the removal will not violate the student's rights under state or federal law or regulation. For programs that regularly enroll one or more students with a disability, behavior management systems may be implemented as a means of anticipating and preventing discipline problems.
